Subject: Increase of Grant for Harijan Girls' Hostel, Bijapur.

Sir,

I wish to draw your attention to the following few lines for early and favourable consideration.

I had approached you for a building grant for Harijan Girls' Hostel, Bijapur in the year 1944. Your office in your No.B.C.205 date 2nd February 1946 has sanctioned a grant of Rs. 6000/- and has --- already remitted Rs. 3000/- to me.

The construction work of the said Building was delayed as the site asked for from the Government did not come in our ~~way~~ possess--ion early. The final disposal of the correspondence in this respect is now over and the Government by their No.C.T.S.R 641 dated 17-6-1947 has handed over to us the site selected for the said Hostel. However - we had arranged to lay the ~~foundation~~ foundation stone of the hostel on 19th June 1946. Mr.B.G. Kher, Premier, Govt.of Bombay, has obliged our Commmnity by laying the foundation stone.

When we applied for the grant for the~~i~~r building our estimate was only Rs. ? but since then the market prices of building --- materials and the rates of wages of masons and coolies have gone - abnormally high. We called fresh estimates from the contractors and according to them the cheapest quotation is Rs. 38,000 and odd. You - know that we have secured a donation of Rs. 20,000/- for this --- building from Sjt. Kabbur of Bombay. ~~xxx~~ Will you kindly reconsider the question of grant for this building and make up for the remain--ing Rs. 18,000/- .

When I had been to Bombay, I had a personal talk with Sjt. G.D. Tapase, Minister for the Backward Classes who gave me to understand that the Government will favourably consider proposals in this -- respect. Hence I am approaching you for this favour.

Herewith I have also to bring to your notice that the time-limit for the completion of the building should kindly be extended by an year or so. We are finding it very difficult to get wagons for the supply of Iron, Cement and Timber and this is causing a great --- delay in our work.

Thanking you. I am,

Sir,

Your most obedient servant,

G.G.Karkhanis

Hon. Secretary, Harijan Sevak Sangh,

Grant-in-aid to --- for the construction of a building.

Sir,

With reference to your letter No.288/47 of 26th June 1947, I have the honour to state that before Government can be moved to sanction additional grants for the - construction of the proposed building, it is necessary that a copy of the revised plans and estimates of the buildings duly approved by the Collector and scrutinised by the P.W.D., should be supplied to this office, in order to assess the exact grant that can be recommended to Government in this respect, and also with a view to see that the buildings are suitable for the required purpose. This may please be done early to enable this office to proceed further in the matter. I may point out in this respect that the conditions prescribed by Government for the grant of the site also require that the plan of the hostel buildings should be approved by the Collector, in consultation with the P.W.D. Your proposal for extending the period for the construction of the building by one year, which was originally fixed for 2 years from 1-4-1946, appears premature Your application for the supply of cement, steel bars and timber ...

timber have been duly recommended to the authorities concerned as desired by you in your letter dated 19-4-1947, vide my letter No.B.C.H.F.7/S/9 dated 26-6-1947. If in spite of your best efforts, it is not found possible to complete the building with the prescribed period, I request that you may renew your request for a suitable extension of the period in December 194' in the light of the progress achieved till then.

Building grant to -

Reference, correspondence ending with Government, Education and Industries Department Letter No.8006-J dated the 19th November 1947, on the subject mentioned above.

2. I enclose a copy of letter No.567/48 dated the 17th January 1948 from the Honorary Secretary, Harijan Sevak Sangh, Bijapur for a building grant to the Harijan Kanya Mandir, Bijapur. I also enclose Revised Plans and Estimates of the proposed building duly scrutinised by the Executive Engineer, Bijapur Division and approved by the Collector of Bijapur (for perusal + return). On a perusal of the plans it would be seen that the estimated cost of the building as per the revised plans has come to Rs.71,900/-

3. In this connection I may state that at the meeting with the Honourable Minister for the Backward Class Department on 13-1-48 it was agreed that a maximum grant of Rs.25,000/- only should be paid to the management of any hostel if the institution desired to build according to its own plan. I therefore propose that a total grant of Rs.25,000/- for the proposed building should be sanctioned to the management in view of the large expenditure to which the management is committed for the construction of the building. A building grant of Rs.6,000/- only has already been sanctioned to this hostel as per Government Resolution General Department, No.3946/33 of 17-1-46 and an advance grant of Rs.3,000/- has been paid to the management during the year 1946-47.

Thus the institution may be granted an additional grant of Rs.19,000/- for the completion of the building subject to the following conditions.

(i) The Backward Class Officer should sanction an

an advance grant of Rs.12,500/- (inclusive of the advance grant of Rs.3,000/- already paid) and the balance should be paid after the building is completed.

(ii) The management should execute an agreement bond in accordance with Rule 88 of the Rules in Chapter X of the Grant-in-aid Code for Schools and Colleges in the province as and when approved by Government in Education and Industries Department, Bombay.

(iii) The management should be required to sign an agreement to refund the amount of the advance grant if the building is not erected in the stipulated period.

4. If the proposal made above is sanctioned by Government the additional expenditure of Rs.9,500/- as advance grant will be required during the current year. This expenditure will be debited to the item of building grants for the year 1947-48 under the Head "47-Miscellaneous Department-K-10-Special Development Programme- Ameliorative Measures for the Backward Classes etc."

As part of the grant alloted under this item has already been expended proposals for a supplementary demand to meet this expenditure will be included in the Revised Estimates to be submitted to Government for the current year in anticipation of Government approval to the present proposals.

Government may kindly be moved to issue very early orders in the matter.

Subject:-Grant for the Harijan Girls' Hostel, Bijapur.

Sir,

In continuation of my letter No.288/47 of 26th June 1947, I am approaching you again for the above.

According to your letter No.B.C.205 of 4th July 1947 and subsequent reminders, I have forwarded to you the revised plans and estimates of the Hostel for Harijan Girls at Bijapur. By the time we were asked to submit the revised stimates, a part of the work has been already executed ainly the foundation and plinth. Therefore, we submitted the ctual measurements for these items and the rates that were hen current in Bijapur. So the revised estimates before you s practically a ledger extract of the actual expenses we re incurring. It is true that we had asked for only Rs,18,00(n our office No.288/47. But the actual needs have come to his figure.

he donations so far reaslised towards the building und of the hostel are as under :-

s.20,000/-	Donation from Sjt.Kabbur.
8,000/-	Earmarked donation locally collected for the Kanya Mandir.
3,000/-	Part of the grant from Govt. subsidy.
Rs. 31,000/-	

Besides these, I am expecting contributions up-to Rs. eight or nine thousands for this building.

In view of the fact, I beg to approach you to please sanction a grant of Rs.32,000/- towards the expenses of the said building. Govt. of Bombay has announced building grant up-to 75% for Harijan building. As I have already secured donations from outside, I don't wish to burden the Govt. with heavy calls. You know that the building work is being carried out departmentally. If we can save any amount from this grant, we shall utilise it for the Harijan Boy's Hostel, the construction of which, we propose to take in hand immediately after the completion of this building.

The Hostel will be ready for occupation by the begi nning of April. From the ledger extract attached herewith you will see that I have spent all the money with me and for the completion of the work, I shall have to approach friends to help me by advancing interest-free loans. Will you therefore kindly expedite the work to further oblige me?

Submitted with reference to the o.n. dated the 19th March 1948. Govt. has since sanctioned a building grant of Rs.25,000/- to Harijan Kanya Mandir, Bijapur, for construction of a hostel building on certain conditions. Vide G.R., E. and I.D., No.8006, dated the 14th May 1948. Attention is invited to para.3 of the B.C.O's letter dated the 21st January 1948 at pp.15-16 ante. It will be seen that a building grant of Rs.6,000 has already been sanctioned to the Hostel vide G.R., G.D. No.3946/33, dated the 17th Jan. 1946. It does not seem to be the intention of Govt. to sanction the building grant of Rs.25000/ in addition to the building grant of Rs.6000/- already sanctioned. That will mean a total grant of Rs.31000/- (Rs. 25000 + 6000) which is also not admissible under the basis agreed to by Govt. In fact that much amount has not been asked for by the Hostel authorities It is, therefore, presumed that the paymen of building grant ~~grant~~ of Rs.6000/- wil be adjusted against the grant of Rs.25000, sanctioned in G.R., E. & I.D. No.8006, dated the 14th May 1948 and the balance of Rs.19000/- only will be paid by the B.C.O., to the Harijan Kanya Mandir, Bijapur.

The B.C.O. may see u.o. for clarification.

Reference, Government letter, Education and Industries Department, No.8006/13360-J dated the 28th May 1948.

An advance grant of Rs.3000/- only was paid to the Bijapur Harijan Kanya Mandir, Bijapur out of the building grant of Rs.6000/- sanctioned under G.R., G.D.,No.3946/33 dated the 17th January 1946. Since a building grant of Rs.25,000/- was sanctioned as per G.R., E. & I.Deptt., No.8006 of 14-5-1948, an advance grant of Rs.12,500/- was due. But Rs.9,500/- only have been sanctioned and paid to the hostel as an advance grant after allowing ~~xx~~ - ~~xxxxxx~~ for Rs.3000/- already paid towards the advance grant.

The remaining grant of Rs.12,500/- will be paid when the building work will be completed and completion certificate is furnished.

that the proposal under consideration does not form part of P.W.R. Programme. It is also clear that the principles governing building grants to private persons or institutions are still under consideration of Govt. It is not, therefore, possible for this Deptt. to agree to the proposed grant of Rs. 25,000 in the present case. The E.A.D. may be advised to consider this case after the general orders are approved by Govt.

2. The difficulty about accepting this proposal is that we do not know what would be the financial commitments of Govt. Also in the absence of the total requirements for the year no similar account it would not be possible for the E.A.D. to allot the expd.

Dear Sir,

I hope you remember my request about the speedy -- sanction to the grant recommended by the Backward Class Officer, - for the Harijan Kanya Mandir (a hostel for Harijan Girls) at -- Bijapur. I have personally explained to you how I was obliged to take in hand a costly building to house the boarding. The building is nearing completion and I am handicapped by want of funds. If - the building is not completed before monsoon sets in there is every possibility of damage to the half constructed building and subsequent loss to the Sangh by heavy rains. I earnestly request you - to sanction the whole grant immediately.

Herewith I wish to bring to your notice one more fact; the building is estimated to cost Rs.71,000 and odd. The - grant according to the scale will be nearly 50,000 and odd. As I - have collected donations from the generous public, I have requested the Goverment to grant me only Rs.25,000 which is the deficit which I shall have to make up. I think my demand on the Government purse is not heavy. The hostel is for female students and requires some - special facilities for them which have been provided in my present scheme. So I hope you will please sanction the amount at an early - date and oblige.

Resolution No.8006,
Bombay Castle, 14th May 1948.

RESOLUTION OF GOVERNMENT.

Government is pleased to sanction a building grant of Rs.25000/- to Harijan Kanya Mandir, Bijapur, for the construction of a hostel building on the following conditions:-

(1) The cost of Rs.71000/- reported by the Management should be certified by the Executive Engineer, Bijapur Division as reasonable.

(2) The Management should erect the building within such period as may be fixed by the Backward Class Officer.

(3) The Backward Class Officer should sanction an advance up to half the total grant, and the balance should be paid after th building is completed.

(4) The Management should be required to sign an agreement to refund the amount of the advance grant, if the building is not erected within the stipulated period.

(5) If the Management finds that there is accommodation surplus of their needs and therefore wishes to let it, Government shall have the first refusal as regards the lease.

(6) In case the recognition of the Hostel is withdrawn for some reason or other, Government will have every authority to take possession of the building and to dispose of it at its absolute discretion. Out of the sale proceeds Government will recover its own share of cost and the balance, if any, will be paid to the management.

2. The Backward Class Officer should be requested to point out in due course a source from which the extra charge should be met during the current financial year.

Education and Industries Deptt.,

Submitted with reference to the Joint Secretary's note dated the 21st June 1948.

2. In Government Letter, Education and Industries Department, No. 8006-J, dated the 16th January 1948 Government directed that in the case of works of Backward Class hostel buildings costing less than Rs. 1000/-, applications for the remission of prescribed percentages for the scrutiny of the plans and estimates will be considered on merits, that in the case of similar works costing more than Rs. 1000/-, applications for remissions of scrutiny charges on the plans and estimates will not be entertained, but that Government will consider the question of payment of grants-in-aid to cover scrutiny charges in deserving cases. In the present case of the Harijan Kanya Mandir, Bijapur whose building was ~~was~~ expected to cost more than Rs. 1000/- we may sanction a grant-in-aid of Rs. 898/- to cover the scrutiny charges. The Mandir is doing very useful work and deserves every help. Subject to orders, the Finance Department may first see unofficially for concurrence.

Grant-in-aid to cover P.W.D. scrutiny charges of the plan & estimates of the Hostel Building.

A building grant of Rs.25,000/- has been sanctioned to the above mentioned Hostel as per G.R., E. & I. Deptt., No.8006 of 14th June 1948 on the conditions mentioned therein.

2. As per condition No.I the Executive Engineer, Bijapur Division is to certify that the cost of Rs.71,000/- reported by the Management, is reasonable. Accordingly the Executive Engineer, Bijapur Division was requested to issue the necessary certificate as required. But in reply the Executive Engineer, Bijapur Division states that the certificate cannot be issued unless the scrutiny charges of Rs.899/- for scrutinuing the new plans and estimates are either paid by the Management of the Hostel or waved by Government.

3. Reference in this connection is solicited to the letter dated the 16th June 1948 from the Honorary Secretary, Harijan Sevak Sangh, Bijapur to the Hon'ble Premier, copies of which have been endorsed to the Hon'ble Minister, Backward Class Department and to this office requesting for exemption from the payment of scrutiny charges as the Hostel is doing charitable work and is run purely on donations and contributions from the Public and Government grant-in-aid.

4. The question of waiver of scrutiny charges of the Plans and Estimates of the Backward Class Hostel buildings was referred to Government in my letter No.B.C.205 dated the 1st August 1948. The Government in their letter Education and Industries Department, No.8006-J dated the 16th Jan. 1948 have agreed to sanction a grant-in-aid to cover the scrutiny charges in deserving cases of B.C. Hostel buildings costing more than Rs.1000/-.

5. In my opinion this is a fit case for sanctioning grant-in-aid in respect of scrutiny charges. I, therefore, recommend that Government may kindly be moved to sanction Rs.899/- as grant-in-aid to the Harijan Sevak Sangh, Bijapur District to cover the scrutiny charges in respect of the Plans and Estimates of the Harijan Kanya Mandir, Bijapur. A source will be pointed out later from which the charge should be met during the current financial year.
